and outdoor parking.

On the ground level, the large living space is all open plan and glazed to benefit from the abundant natural light and views over the outdoor leisure area. The ultra-modern, American-style kitchen, with central island, coexists in full harmony with the dining and living room, which extend to the terrace, facing south, where you can have al fresco dining while enjoying the privacy of your garden and swimming pool.

There is also on this floor, a laundry room, a service toilet, a storage area, the access to the garage from the inside and an elevator that will help you go up to the first floor.

The bedrooms are all on the upper level. Each with its own en-suite bathroom, all with built-in wardrobes and access to terraces. One of the suites also has a large walk-in closet, for the delights of ladies who need a lot of storage space. 3 bedrooms share a terrace facing the pool, and the last one has the advantage of having its own private balcony.

On the rooftop of these exceptional villas, you can enjoy pleasant solariums where jacuzzis will be installed so that you can relax and enjoy the panoramic views of the sea.

Thought and designed to offer the greatest possible comfort to its occupants, the villas will have air conditioning in all rooms, heated flooring throughout the house, for greater coziness in the colder months, home automation system to make everything easier, electric blinds, and integrated solar system to better take advantage of the sun's energy. Not only for heating the water, but also for the supply of electricity throughout the house.

Located in a prestigious area of the city of Lagos, just 300 meters from Camilo beach, and 500 meters from Ponta da Piedade, you will surely be impressed by the canvas that these elegant properties have to offer.

Is it the paradise you were looking for? Come and find out!
