Urban land for housing construction, in Portelas

Located in the heart of the quiet village of Portelas, municipality of Lagos, we find this urban land, for the construction of a traditional 3-storey house.

Portelas is a place in rapid development, due to the investment in recoveries of this type of "typical casitas", with several foreign communities already residing in this corner of the Algarve.

In the village you can live in peace and comfort, being able to have access to small shops with organic and quality products, a playground, restaurant and cafes.

Benefit from a privileged location, being just 3 km from the Historic Center of the city of Lagos, Beaches, Hospital and all other amenities.
