Urban land for construction of townhouse, in Espiche

Located in the heart of the quiet village of Espiche, parish of Luz, municipality of Lagos, we find this urban land with ruin, for construction of traditional villa with 2 floors and patio.

Espiche is a locality in full development, due to the investment in recoveries of this type of "typical townhouse", already with several foreign communities residing in this pleasant corner of the Algarve.

Benefiting from its privileged location, being at about 2 km from the prestigious Praia da Luz, 2 km from the golf course of Boavista and remaining at only 5 minutes driving from the city of Lagos.

In the village you can live in peace and comfort, being able to have access to small shops with quality products, playground, hairdresser, restaurants, cafes, camping resort and even a market to buy your fresh fish practically every day.
